

## Go Pick Up Some Sticks

Acts 28:1-9

### **You need to know:**

When God saved you, He did not save you because he wanted \_\_\_\_\_ person to be saved. He saved you because he wanted \_\_\_\_\_ people to be saved.

### **4 things we learn from Paul's experience in Malta:**

- 1) No matter how small it is, the thing that God has given you to do, \_\_\_\_\_.
- 2) You gotta \_\_\_\_\_.
  - A. The WORST part about serving is that you're continually \_\_\_\_\_.
- 3) Don't base what God has in store for you on what \_\_\_\_\_.
  - A. Jesus said, people will be judging you by the same standard (*Matt. 7:1-2*)
  - B. Watch out for the sin of passivity (*Deut. 22:1,2, 4*)
- 4) Paul was doing \_\_\_\_\_, NOT SOMETHING GREAT.

### **The heartbeat of this church should be:**

Everybody doing something, and everybody doing something \_\_\_\_\_ than they've ever done before.
