

## God is Light

I Jn.1:5

- I. The science of light
  - a. Light is electromagnetic energy
  - b. Light is pure energy
  
- II. Light and darkness ***Jn.1:5***
  - a. Darkness is all around us
    - i. It hides the truth
    - ii. Promotes evil Jn.3:16-21
  
- III. Light = life ***Jn.1:4***
  - a. It illuminates the way
  - b. It is trustworthy – no deception in God’s light
  
- IV. The power of light is Jesus!
  - a. The message the world needs to hear is not just
    - i. Spirituality
    - ii. Physical and material prosperity
  - b. The message is a person – Jesus
    - i. Jesus was not just:
      1. A good man
      2. A prophet
      3. A great humanitarian
    - ii. Jesus is God
  - c. The world will threaten us ***Acts 4:14-21***
  - d. Threats don’t work on a dead man!
    - i. Dying to self means we are all in ***Matt.16:24-25, Gal.2:20, Phil.1:21***
