

## **It's All About Me**

2 Timothy 3:1-5

**Salvation is free, it costs me nothing**  
**Following Jesus WILL cost me something**

Vs 2 - People will be lovers of themselves...

Paul gives us a detailed description of what an "It's all about me" life looks like

Why do we do the things in vs 2-5? **Because it's all about me!**

At the end of vs 5, Paul warns Timothy to stay away from people like you & me!

### **Isn't this true?**

When it feels like God is doing something **TO ME**, that's when my faith seems to falter... but if I'll just remember that's he's trying to do something **IN ME** so He can do something **THROUGH ME**, my confidence in Him will remain intact.

### **Matt. 22:35-39**

Did I love God more than myself this past week?

Did I love others like I loved myself this past week?

### **Galatians 5:13**

For you, brethren, have been called to liberty; only do not use liberty as an opportunity for the flesh, but through love serve one another.

The purpose of the church is not about your personal affirmation but your **transformation!**
