

Deconstruction
Week #5
Wrong Data

Review

I. The Problem with Data/Information

- A. There is too much that is not helpful - Dan. 12:4
- B. It is too accessible - II Tim. 3:7; Dan. 12:4
- C. It is often inaccurate or put into question - Gen. 3:1,4
- D. I don't always pursue or accept the good - Jer. 17:9; Prov. 14:12

II. Deconstruction in the Bible

- A. Satan - Genesis 3
 - 1. Breaks trust
 - 2. Isolates us from God
 - 3. Wants to be the final say
- B. Jesus - Matthew 5-7
 - 1. Builds trust
 - 2. Draws us closer to God
 - 3. His critique wasn't the O.T. but rather the faulty traditions and insufficient interpretations

III. Resolution to replace wrong data with right data

- A. Fill my mind with more of God's data - II Tim. 2:15
- B. Acknowledge God's Word as my final authority - Jn. 17:17
- C. Actively participate in my Church - Heb. 10:24,25
